**League Rules Reminder - CORRECTION**

Oops just testing if you read the emails!!!

Teams,

It has been brought to my attention that teams are not following the Team Uniform Policy.

The purpose of this communication is to remind teams of what the policy states.

To simply summarize:

1. Home team wears light color
2. Home team wears dark color

If there is a conflict the team not following above must change.

Correction made and should have read:
