2019-2020 Advanced Leagues Blackout and Play Dates for January - March

Teams,

Please read through this in entirety...

- For the January-March Play dates, a team gets one blackout weekend to select. As defined in the rules (section 2.17), this means that you can blackout a Friday, Saturday, and Sunday in one weekend.
- 1. **You cannot select one of your blackout dates on one weekend and another blackout date on another weekend.**
- 2. **IF you select blackout dates on multiple weekends, you will not be contacted to correct it. Whatever the first calendar date you select will be considered as the entire weekend.**
- https://www.azsoccerassociation.org/assets/77/6/leagueinformationchart2019-2020_final.pdf This link will take you to the informational section of the Advanced Leagues web page. You will be able to see the open play dates for 12U-14U ages. **THERE IS ONE CORRECTION TO COMMUNICATE TO YOU. MARCH 20-22 WILL NOT BE A PLAY DATE AND YOU DO NOT NEED TO BLACKOUT THE WEEKEND.**
- https://www.azsoccerassociation.org/assets/77/6/create-change-verify_black_out_dates_dec12.pdf If you forget how to manage your blackout dates, here is the generic help file on how to add blackout dates that is on the informational section of the Advanced Leagues web page.
- COMPLETE YOUR BLACKOUT DATES by November 19, 2019.
- Scheduling of the January-March games will take place by the first week of December and draft of schedule will go out by December 12 for review.

Thank you for your attention to this.
