ASA College ID Camp

Teams,

Please make sure your players are aware of the opportunity.

<https://www.azsoccerassociation.org/resources/college-id-camp/>

Registration is still open for Girls. It is an individual player registration and not a team registration and for those who might be interested in any of the Arizona Colleges it is a great opportunity to learn, have a training session, observe a college match, and much more!

Click the link above to find out more information and to register.
