2019-2020 ARIZONA ADVANCED LEAGUES

2019-2020 ARIZONA ADVANCED LEAGUES

Message from Arizona Soccer Association

Teams for Friday games,

Based on weather forecasts (as of today) and the potential for rain through Friday, I just want to let you know of a plan that might be put in place should conditions warrant it.

Should games get cancelled for Friday night at Red Mountain Soccer Complex, all 7 games would get immediately rescheduled to Saturday, March 14. The contingency field is Copper Sky due to their ability to drain well.

5:30 Kickoff Friday would move to 9 AM kickoff Saturday

7:00 Kickoff Friday would move to 10:30 AM or 1:30 PM kickoff Saturday

8:30 Kickoff Friday would move to 12:00 PM Kickoff Saturday

Due to the end of the Advanced League season so that seeding/placement for State Cup and Presidents Cup, there aren't options to go past this weekend.

I appreciate your understanding when it comes to these weather events that we cannot control.

You will be immediately notified if this contingency plan needs to take place as well as an update prior to or on Friday with more current field conditions.

Derek
