2020-2021 Arizona Soccer Association Advanced Leagues Information

2019-2020 Team contacts,

You are receiving this email from last season's teams in hopes of seeing you again this coming year. In addition to you receiving this, a similar email will be going to all club DOCs and Registrars.

The last 2 months have been challenging for us all. Based on our trajectory with COVID-19, we are hoping to resume our managed leagues on schedule. The 2020-2021 season is in our future and we are all looking to return to play.

This communication will focus on Advanced Leagues with Open League, Academy League, and other events receiving separate communications in the weeks to follow. The [Advanced Leagues Web Page](#) has been updated today with the [APPLICATION LINK](#).

The application process is explained on the website and on this [DOCUMENT](#). We have tried to make the process easier and eliminate a multiple application/registration process. Essentially you will apply using your team account in GotSoccer and then if accepted, we will change the status to "ACCEPTED", thus eliminating the subsequent registration step. Make sure you are updating your team name for the 2020-2021 season.

For general information, please see attached for information on the 2020-2021 Advanced Leagues Season. [CLICK HERE](#)

See you all on the fields soon.
