2020-2021 Desert Conference & National League Information

Teams,

As a follow up to my last communication about Desert Conference and National League, here is additional information.

Desert Conference is designed for the top 1-3 teams in state's top league division. There are two ways to automatically qualify for Arizona teams:

1. 2019-2020 APL Champion
2. 2019-2020 Desert Conference top 2 finish.

While it isn't a requirement to be one of those top 3 teams, please strongly consider whether your team is the right fit prior to applying.

In many divisions there will only be one Arizona team accepted (Assuming those teams apply). There are 4 known divisions where Arizona will have at least 2 teams:

Boys U13
Boys U18
Boys U19
Girls U13

Any other open applicants will be reviewed for open spots.
