### **2020-2021 Arizona Advanced Leagues - Play In Games Schedule**

Teams,

Schedule for the Play In Games to be held August 21-23 weekend at Copper Sky has been posted on the website. Based on mutual availability, Games have been scheduled on either Saturday, August 22 or Sunday, August 23.

#### BOYS

SCHEDULE - <http://events.gotsport.com/events/schedule.aspx?EventID=79558&GroupID=978968&Gender=Boys&Age=99>

#### GIRLS

SCHEDULE - <http://events.gotsport.com/events/schedule.aspx?EventID=79558&GroupID=978969&Gender=Boys&Age=99>

You will notice that the games are on the same weekend as the Scrimmage Fest. If you need to change when you are available for the scrimmage fest, please email Stacey Drinon at [staceydrinon@azyouthsoccer.org](mailto:staceydrinon@azyouthsoccer.org).

Teams that are in the Play in Games within the Scrimmage Fest event please note that the team account is only a shell and is not your actual team account so you will notice no game history, Coach, TM, contact person, etc if you click the team. If your club or team has adjusted your team name in the Advanced League event, it might not identically match the Play In Game team names. That is OK.

Each Age group placement document on the Advanced League web page shows who is in the play in game.

Next up:

1. Information on your roster deadline as it must be set before the play in game. Only players on your team's event roster may play in the play in game. You will not be able to add club pass players after the August 19 deadline,. Rosters will be printed by ASA staff from the Advanced Leagues Event.
2. Specific details and rules about the event
