2020-2021 Arizona Federal Credit Union Advanced Leagues - Week 2 Updates

Teams,

The current schedule has been a combination of placing games on confirmed fields (secured permit) as well as placing games on dates with the expectation or hope of securing a permit when that facility opens up. In addition there have been facilities that contact me after securing a permit which require some scheduling changes. All of these changes are related to COVID in terms of when facilities have released fields to ASA.

As a result, you will be seeing some required movements of games in the future as I am notified by the various facilities. All changes to your games will be coupled with communication to both teams whether it be a time change, field number change, location change, etc. I will exhaust all efforts to try and keep the play dates the same to the best of my ability and control.

You do not need to respond to these notification of game changes unless you have a question.

Sorry for any inconvenience it may cause as we keep trying to take steps forward and have the kids on the field
