2020-2021 ARIZONA ADVANCED LEAGUES

Message from Arizona Soccer Association

Teams playing at Kino South Sunday:

Saturday's games went well with the majority of teams conforming to the requirements of the facility and the ASA Support Staff.

This is a reminder to help make your day tomorrow as smooth as possible.

1. Teams cannot enter the complex if there is a game before you on the field and the prior game has not exited.
2. Teams that finish their game please move quickly to vacate the field as a courtesy to the next game after you so that they can enter.
3. I recommend that teams stretch before they enter the complex. You should have roughly 15 minutes to warm up on the field if the prior game does their part to exit the field/complex.
4. Spectators are not allowed in the complex. Views from behind the complex fence around the complex allow spectators to watch their game.

Thank you all for your cooperation on this.
