**2020-2021 Arizona Federal Credit Union Advanced Leagues - Blackout and Play Dates for January - March**

Teams,

Please read through this in entirety for U12-U14 age groups...

- You currently have your Spring games sitting on 1/2/2021 waiting to be scheduled.
  - For the January-March Play dates, a team gets one blackout weekend to select. As defined in the rules (section 2.17), this means that you can blackout a Friday, Saturday, and Sunday in one weekend.
1. **You cannot select one of your blackout dates on one weekend and another blackout date on another weekend.**
  2. **IF you select blackout dates on multiple weekends, you will not be contacted to correct it. Whatever the first calendar date you select will be considered as the entire weekend.**
- If your team is in the US Youth Desert Conference League, you do not need to Blackout the event weekend. I will automatically do that for you.

You will be able to see the open play dates for 12U-14U ages. **THERE IS ONE WEEKEND TO COMMUNICATE TO YOU. MARCH 12-14 WILL ONLY BE A PLAY DATE IF THERE ARE RAINOUTS AND YOU CANNOT BLACKOUT THE WEEKEND.**

  - **COMPLETE YOUR BLACKOUT DATES by November 25, 2020.**
  - Scheduling of the January-March games will take place by the first week of December and draft of schedule will go out by December 10 for COACH 24 HR review.

For U15 and older age groups that have rescheduled games in the spring, a separate email will go to you directly later in the week.

Thank you for your attention to this.
