This is regarding remaining games and the potential impact of High School Playoffs that start March 9. Depending upon when your game is currently scheduled, the document shows specific options if you are impacted.

Essentially we are hoping to avoid any forfeits. However games must be played by March 14. **IF you don't follow the procedures on the document, you are expected to show up and play your rescheduled game.**

Here is the [LINK](https://docs.google.com/forms/d/e/1FAIpQLSdY3DV2Dx6OXGx8bQM39Xi8pW5AD9jqeqfgHmkXyASzPVifwQ/viewform) to the Rescheduling Form if you have met the requirements as indicated on the document:

Questions that have been asked:

1.

Q: Can we still play the game after March 14?

A: Yes you can schedule on your own to play the opponent when you want. You would need to secure fields, referees, etc.

2.

Q: I am missing my best 3 players. Do I have to play the game?

A: You are expected to play the game if you have the minimum of 7 players required to start the game. You will not be required to play the game if you can confirm you have added 5 Club Pass Players; AND you have listed the names of the players and their high school they attend that still have a playoff game; AND you are below the roster minimum of 7 players.

3.

Q: IF me and the opponent both agree to not play the game is it still a forfeit?

A: IF you and the opponent both agree to not play the game even though you have the minimum of 7 players available, you can email me with the other party on the email in agreement and the game will go unplayed.

4.

Q: I have 12 players in the playoffs as of now. Do we have to play the game?

A: Document indicates the stipulations and teams would not know until after the completion of playoffs on 3/9 who is remaining in the high school tournament.
