

All players and staff registered and rostered on a team with ASA are covered by insurance. This insurance is provided on an "excess basis." This means that after the insured player or staff has been reimbursed for medical expenses by other insurance programs and after the \$2500 deductible has been satisfied, the insurance will pay up to the maximum Medical Expense benefit for remaining treatment, service and supplies.

What to do when a registered player or staff member sustains an injury:

1. Complete and submit an Injury Report form (ASA forms page) to ASA **WITHIN 30 DAYS OF INJURY**. This form requires the signature of the coach or team official and must be completed PRIOR to the submission of an online medical claim. Please submit the completed injury report form to: **medical@azyouthsoccer.org**

2. To start the medical claim process, please email medical@azyouthsoccer.org for the link.

PLEASE NOTE: If you have other valid and collectable primary insurance, all charges must first be submitted to your primary insurance carrier.
