

ROSE MOFFORD SOCCER FIELD MAP

9833 N 25th Ave, Phoenix, AZ 85021

A dotted line around each field is a 6' barrier that cannot be crossed by spectators. It is highly recommended that spectators find locations even further back from that 6' line so that they can be socially distant and wear a mask. Recommended areas include the tree line that surrounds many of the field areas both along the sidelines and behind the goal areas. Additional areas along sidewalk pathways would be suitable areas to watch the game. **Seating in metal bleachers located at each field is not permitted.**
