

Permission to Post Images on Social Media

As the child's parent/ guardian I am aware that the Arizona Soccer Association (ASA) has the right to use the player's picture and/or likeness in Social Media Sites; provided, however, without my further written consent, my child's name shall not be used in connection with such photograph or video on any Social Media Site. "Social Media Sites" means any form of social network on the internet, including, without limitation, Facebook, YouTube, Instagram, and Twitter provided such use is related to the player's status as a participant in the ASA programs.

On behalf of the participant, I understand that all depictions shall be the sole property of ASA and neither I nor the participant shall receive any compensation in connection with their use.
