

Sanctioned Tournament Approval Policy

This document outlines the requirements to receive Arizona Soccer Association (ASA) sanctioning for a youth soccer tournament in the state of Arizona.

Any requested deviation from this policy must be submitted in writing to the Tournament Committee (herein after referred to as the "Committee." The Committee will review such requests on a case-by-case basis. The sanctioned tournament policy is subject to review by the Committee on at least an annual basis. All sanctioned tournaments must adhere to the policy in effect on the date of the sanctioned event. If changes in policy are recorded, sanctioned tournaments will be given a 30-day advance notice of the change. The policy posted on the ASA website shall reflect the most to date policy and revision date.

1. Tournament Classification

- 1.1 All tournaments are classified as either "standard" or "custom."
- 1.2 Tournaments classified as "standard" are those which follow US Youth Soccer guidelines regarding the number of players on the field and Laws of the Game. This includes teams in the Academy age groups.
- 1.3 Tournaments classified as "custom" are those that are distinctly different from those listed above, such as 3v3 and any format not specific to any age group.
 - 1.3.1.1 ASA will only sanction custom youth-only tournaments during the summer (May 1-August 31).
 - 1.3.1.2 Custom tournaments are exempt from the total number of allowable tournaments for a club. All other criteria detailed in this policy shall apply to custom tournaments.

2. Application Deadline

- 2.1 The deadline to apply for a tournament is March 1 of the season preceding the requested tournament date(s). Applications are for one season only.
- 2.2 A club/host organization may submit a request to host a returning tournament after the March 1 deadline upon payment of a \$500 late fee. Payment of the late fee is not a guarantee the requested event will receive sanctioning.
- 2.3 No late applications will be accepted for new events.
- 2.4 Once an event date is sanctioned, any request to change the date of that event is considered a separate application. Late fees and new event limitations apply.

3. Sanctioning Requirements

3.1 The host organization must:

- 3.1.1 Be an ASA member in good standing; AND
- 3.1.2 Have a minimum of three (3) consecutive years of ASA membership, and upon approval may host during the fourth consecutive year of membership (or later); AND
- 3.1.3 Have a minimum of 200 ASA registered players at the time of its application
 - 3.1.3.1 Organizations with fewer than 200 registered players may co-sponsor a community-based event with ASA or a district league. Community-based events are those which benefit (in the form of fundraising or donations) a non-soccer charity or non-profit organization.

3.2.1 A sanctioned event in Maricopa County or Pima County must take place over a single, continuous weekend to be considered as one event. Tournaments divided by gender or age group that take place on separate dates are considered two events.

- 3.3.1 No more than one sanctioned event may take place in Maricopa County on any given weekend; AND
- 3.3.2 No more than one sanctioned event may take place in Pima County on any given weekend; AND

 - 3.9.3 The operations review consists of a meeting between the ASA Director of Competition, members of the club's tournament committee, and ASA other staff or board members. The meeting shall focus on successes and failures of the event and determine what (if any) procedures must be implemented to improve the operational performance of the event. All agreed-upon changes and procedures must be implemented, or have a written plan for implementation, within 30 days of the review.

4. Loss of Tournament
 - 4.1 Should a tournament be suspended, the host organization may reapply for sanctioning once the suspension period has concluded.
