Elite Academy (EA) League

Approve moving forward with ASA sanctioning and supporting operations of the EA League
by Bob Roesner.

Second by Jason Hammonds

Discussion: Rick shared that the EA League is positioning to become a national league with conferences around the country. For other states the league will be sanctioned by USSSA but there is an opportunity to have the Arizona teams register with ASA and for ASA to have operational responsibilities for the SW Desert Conference of the EA.

Voted: Failed Unanimously.
