Two items/responsibilities will be eliminated from responsibility of the President. All other aspects, except lines (a) and (f) will remain the same.

BYLAW: Bylaw 812, Section 6(b)

PROPOSED AMENDMENT: Cite the bylaw (or subsection thereof) that you wish to change and write the bylaw as it would appear with your proposed revisions. Bylaw changes underlined.

Tryout/Evaluation Window Timeframe: Tryout/Evaluation window will commence upon completion of Presidents Cup and State Cup finals or May 1, whichever is later.

HOW THE BYLAW WOULD BE CHANGED: Write the bylaw tracking your proposed changes. Underline new language and strike out language that you wish to delete.

Tryout/Evaluation Window Timeframe: Tryout/Evaluation window ~~is established as May 1—July 1 for ages U7 through U10 (non-president cup or non-state cup age teams and for ages U11 through U18 (presidents cup or state cup teams).~~ will commence upon completion of Presidents Cup and State Cup finals or May 1, whichever is later.

RATIONALE: Explain the rationale for your proposal and the intended effect of the change.

This provides specific clarity that tryouts for all Clubs and age groups can begin at the same time. It is believed that this will also minimize disruption of Clubs and teams that advance to the latter stages of Presidents Cup and State Cup.

Also, due to calendar changes, field availability, etc. there are periods when Presidents Cup and State Cup finals may be played after May 1. This update to the Bylaw accounts for this and provides clarity for all Clubs.
