

ODP ARIZONA

*Frequently Asked
Questions*

***What if my son or daughter will miss tryouts
due to a club conflict or an injury?***

We understand that players could have a club conflict with the ODP tryout dates or an injury. You should go ahead and register for tryouts and email Technical Director, Chris Blundell (chrisblundell@azyouthsoccer.org) to let him know your son or daughter will be missing tryouts. Players may attend one Pool Training as their tryout.

Do we need to attend both tryout dates?

It is in the best interest of your son or daughter to attend both days of tryouts. Attending both tryouts allows the ODP coaches more opportunities to assess your son or daughter. Players missing a day of tryouts, however, can still be selected for Pool Training.

*How do we find out if my son or daughter
made the ODP Training Pool?*

**Pool Training Rosters will be posted on Friday August 18th
after 4:00 PM.**

What should we bring/wear to tryouts?

Players should bring a soccer ball, plenty of water, proper footwear, shin guards, and sunscreen. Players must wear their ASA 2023 tryout shirt to both tryouts and all Pool Training sessions as the coaching staff tracks players using the number on the back of the shirt. Players should avoid wearing any club gear.

Where do we get our tryout shirt?

ASA will post specific office hours to pick up your tryout shirt at the ASA office. Shirts will also be available at the fields in August

*Can my son or daughter participate in
ODP and High School Soccer?*

Yes, players can play ODP and High School Soccer. Per AIA rule 14.4.1.1 EXCEPTION: Athletes are permitted to try out for and compete with the U. S. Soccer Federation national team training camps and/or matches, as well as training camps or matches as a roster player in the Olympic Development Program state, regional, and/or national team.
