SECTION 5. OPERATIONAL PROCEDURES

5.01 Game Cards and Game Day Rosters

5.01.2 All players participating in the match must be printed on the game card. This includes player names, player ID numbers, date of birth, and jersey numbers. Players listed on the game card but not participating in the match must be crossed off by the team. Club Pass players must be designated as such and included on the game card identified as "CP".

5.01.3 At the conclusion of the match, both coaches must sign the game card. It is recommended that the away team take a photo of the game card. The home team is then responsible for entering the results into GotSport, but either team may enter in the score. Basic instructions are included at the top of the game card.

5.01.3.1 It is the Home team's responsibility to enter the final game score into GotSport using the Event ID and Pin# listed at the top of the game card. Scores must be submitted within 72 hours after the game is completed.

5.01.3.2 Game cards should be kept on file by the home team until the end of May of the seasonal year. If, in the event of a roster discrepancy in the Open/Presidents Cup, the home team must furnish the roster to ASA upon request.

5.02 Unplayed Matches

5.02.1 If a team fails to play a scheduled game, the team will be fined \$250, to be paid before their next game. Additionally, the coach may be required to attend a league D & R hearing.

5.02.2 If a team fails to play a second scheduled game, the team will be fined \$500. The coach and the club's Director of Coaching will be required to attend a league D & R hearing and may be subject to suspension.

5.02.3 All unpaid fines become the debt of the club.

5.03 SCORING METHOD

The standings of teams within a division are based upon the number of points earned. Teams earn points as follows:

- Three (3) points for a win
- One (1) point for a tie
- Zero (0) points for a loss
- Three (3) points for a forfeit

5.04 Forfeit - Points

Forfeits are scored as 3-0 victories in favor of the non-forfeiting team.

5.05 Uneven Number of Games

5.05.1 In the event that the teams in a division do not play the same number of games due to unforeseen circumstances but, not including games that teams refuse to play (i.e. forfeit, failure to reschedule, failures to appear), the Final Standings may be determined by using the total points earned (P) versus the number of games played (GP) to determine average points per game (AP) (i.e. $P/GP = AP$).

5.05.2 Adjusted points to be added to existing points (P). Adjusted points will round up or down to the nearest integer.

5.05.3 The LOC will also determine any tie-breaking procedures that may need to be applied. Once the season is declared complete, adjustments to the standings and points will not take place unless a protest is filed within 72 hours of the last available play date.

5.06 Tiebreakers – Two Teams are Tied

If two teams are tied on points earned, the team's placement will be determined in accordance with the following sequential criteria:

- a) Winner of head-to-head competition.
- b) Winner of most games.
- c) Goal Differential (goals scored minus goals against max four (4) per game)
- d) Fewest goals allowed.
- e) Fewest disciplinary points (yellows and reds earn caution and ejection points)
- f) Coin toss

5.07 Tiebreakers—Three or More Teams That Are Tied

If three or more teams are tied on points earned, the final rankings will be determined in accordance with the following sequential criteria:

- a) Winner of Most Games
- b) Goal Differential (goals scored minus goals against; max four (4) goals per game)
 - IF two teams will have the same high differential and one will be lower, eliminate the one with the lowest differential.
 - IF two teams have the same low differential and one will be higher, advance the team with the highest differential.
 - IF each of the three teams will have a different differential, eliminate the team with the lowest differential since that is the team that would go away in the normal policy of eliminating a team
- c) Least Goals allowed in all games
- d) Coin toss per FIFA regulation: Drawing of lots (if three teams are still tied). Kicks from the spot per FIFA law (if two teams still tied). These will be scheduled by the league coordinator and teams will be notified as soon as time and location are set.
 - The first team drawn will receive the bye

- The next team drawn will be the home team against the remaining team in the first contest of penalty kicks.
- The winner of the first contest will then compete against the bye team in penalty kicks to determine the round robin winner. The bye team will be the home team.

5.08 Match Line Up

Each team must complete and provide a Match Line Up on the GotSport game card, including club pass players if applicable, to the Referee at least thirty (30) minutes before the match. No more than 18 players from a team may be in uniform or play in a single match (no more than 16 players for 11U and 12U games). A team that plays an ineligible player shall forfeit any match in which an ineligible player played. The team may also be subject to disciplinary action including but not limited to suspension or expulsion of the team and team officials from the MaxInMotion OL. Changes to the roster must be done before the game card is presented to the referee at check in. Changes can be made in GotSport prior to printing the game card; write in players on game cards are not allowed.

*Club Pass Players must be printed on the game card and must include First and Last Name, ID #, and DOB

5.09 Forfeited Matches

A MaxInMotion OL team that forfeits a game by failing to appear within 10 minutes of the posted start time, shall be subject to a minimum fine of \$250 assessed against its club and collected before any team from that club can be admitted to a subsequent MaxInMotion OL season and be declined to the MaxInMotion OL, for the next season of participation. The amount of the fine shall be determined each season by the League Commissioner and is posted on the ASA Website.

5.10 Uniforms

Teams playing in the MaxInMotion OL are only permitted to wear the following on their game uniforms:

- a) US Youth Soccer logo
- b) The logo of the team's State Association or the logo of any State
- c) Association sponsor
- d) Their individual club and/or team logo and team sponsor logo
- e) Manufacturer of uniform logo
- f) Number of player (Player Names Are Not Permitted on Jerseys)
- g) No other patches or logos are permitted unless written permission is granted by the League Commissioner and League Operation Committee. Referees are required to instruct the player and/or team to cover any logos that are not listed above and report the incident to the League Commissioner within 24 hours following the conclusion of the match.

SECTION 6. MATCHES

6.01 Scheduling of MaxInMotion OL Games

The League Commissioner will schedule all MaxInMotion OL matches. Once the MaxInMotion OL publishes the season schedule, match can only be rescheduled following the rescheduling format. The League Commissioner reserves the right to reschedule and notify teams should an unavoidable event

disrupts the integrity of the league. If matches are postponed by the MaxInMotion OL, the League Commissioner will reschedule the matches at the earliest possible reasonable date.

6.02 Match Schedule and Rest Periods

All matches will be played as scheduled unless weather conditions dictate. It is the intent of the league to play only one match per day; however, when circumstances dictate, no more than two matches a day will be scheduled and no more than three matches per weekend. Every effort will be made to provide for a minimum of one game time's rest between matches. If specific fields are unplayable due to weather conditions, the home team may decide based on player safety concerns and will contact the League Commissioner to re-schedule the game. The following information must be provided: game #, game date/time, teams involved and location of field. It is the responsibility of both teams to coordinate the make-up match and relay the information to the League Commissioner to update the schedule.

6.03 Season

6.03.1 The league will host one or two seasons, each season consisting of at least six games unless indicated by the league. The number of seasons by age group is shown in Appendix A.

6.03.2 Teams may enter one or both seasons. A team playing in Season 1 is expected to play Season 2 but must still register as a returning team.

6.04 Games and Fields

6.04.1 Games will be played as a series of home and away games, as scheduling permits. Ideally, in a 6-game season, a team will have three home games and three away games. However, due to field availability, blackouts, and coaching conflicts, this is occasionally not possible.

6.04.2 Clubs must furnish home fields of sufficient quality and quantity to allow the potential of 50% home games on each of the season game days (Clubs must have fields for each play date to receive 50% guaranteed home games). In cases where home fields are not available on a specific weekend, the home club may contract for an "outside" field, or the game may be scheduled at the opponent's field. When games are held on the field of the away team, the home team will be called on to pay reasonable amounts for game day expenses.

6.04.3 In cases where a team supplies no home fields for the duration of the season, that team's home game expenses will be reimbursable to the host club.

6.05 Rescheduling Games

6.05.1 Once the schedule has been published, the dates of games may not be changed without fees except for the following reasons:

- a) The field is closed by the city or other governing entity.
- b) Inclement weather causing the field to be closed.
- c) Scheduling errors made by ASA.
- d) ASA deems it in the best interest of Arizona soccer.

6.05.2 The home club may change the times of the games on the scheduled date (the date may not be changed) to better accommodate referee and/or field scheduling. However, the home club must have match movement completed 7 days prior to the match and must have submitted the rescheduling request form and submit the \$250 payment. **Both teams must agree to the change and are requested to work together to resolve scheduling issues.** Referee assignor must be contacted by the home club 7 days prior to the match.

6.05.3 Match dates can be changed by completing the proper steps and filling out the match rescheduling request form.

6.06 Inclement Weather

6.06.1 The League Commissioner or his/her designee shall have the authority to postpone a match due to inclement weather and/or unplayable field conditions prior to the kick-off of a match.

6.06.2 The Home Team will be responsible for notifying the away team regarding game postponement due to inclement weather. All reasonable efforts must be made to complete the match on the scheduled dates.

6.06.3 The Referee may postpone the game for inclement weather or unplayable field conditions.

6.06.4 The home team may postpone the game for inclement weather or unplayable field conditions based on instruction from city or park authorities, referee judgment/decision, or other authority.

6.07 Referee Jurisdiction

The Referee shall have the authority to take disciplinary action from entering the field of play for the pre-match inspection until leaving the field of play after the match ends (including kicks from the penalty mark). Each match will be controlled by a Referee who will have the full authority to enforce the Rules of Play and the Laws of the Game.

SECTION 7. RULES OF PLAY

7.01 Applicable Rules and Laws of the Game

MaxInMotion OL matches will be played under the applicable rule of US Youth Soccer. Teams are responsible for obtaining and being familiar with the FIFA/IFAB Laws of the Game as they govern play subject to the modifications in these rules.

7.02 Substitutions

Unlimited substitutions will be permitted at any stoppage of play with the permission of the match Referee.

7.03 Match Length and Ball Size

- **See Arizona Soccer Association Gameday Standards**

A match shall be considered official after one full half of play is completed (the second half does not have to start). If less than one half is completed and the match is abandoned, the entire match must be replayed, subject to review by the League Operation Committee. If a match is abandoned in the second half of play due to inclement weather, the final score will be the score at the time the match is abandoned. If a match is abandoned due to gross misconduct, the League Commissioner will decide the disposition of the match score following review of all information available including but not limited to Referee Game Reports, reports from MaxInMotion OL staff, etc.

7.04 Lack of Appearance

Failure to appear or failure to timely appear for a scheduled match will result in a forfeit. A team must be present and ready to play within 10 minutes of the scheduled match time. For unforeseen circumstances (traffic accidents), the League commissioner has the authority to delay the match time.

7.05 Anchored Goals

The Referees shall inspect the integrity of the goals to ensure they are secure and suitable for play. Matches shall not begin until both goals have been firmly secured.

7.06 Player Passes and Rosters

Each team must bring a laminated US Youth Soccer pass for each player and Team Official signed by an official from ASA, a MaxInMotion OL game card, and a copy of their official MaxInMotion OL roster to every match. No player without a current and valid player pass shall be permitted to participate in any game (unless approved by the League Commissioner). Game cards, player and team official passes must be given to the Referee before the start of the match.

7.07 Playing of Ineligible Player

A team that plays an ineligible player shall forfeit any match in which an ineligible player played and be subject to disciplinary action including but not limited to suspension and review from the disciplinary review board.

7.08 Team Rosters

The official MaxInMotion OL match rosters must be provided to the referee prior to the start of each match.

7.09 Uniform Color Conflict

Uniforms for MaxInMotion OL matches must conform to the Team Uniform Policy outlined in Appendix D of these rules.

7.10 Team Bench Area and Technical Area

No more than four (4) team officials (being only team coaches, team administrators, and team medical staff) shall be permitted at the team bench area during a match. A suspended team official is not permitted at the Team Bench Area. The Team Bench Area must always be supervised by a Team Official and if no adult who possesses a member pass card from ASA/US Youth Soccer is available to become a Team Official to supervise the team Bench Area, the match is forfeited.

7.11 Spectator Sidelines

Teams will sit on the same sideline as their team. Appendix B shows the recommended fan/team seating layout. Each coach is responsible for the behavior of their spectators as provided for in Section 8.04. The Referee has the option, but not the obligation to display a yellow or red card to a coach, team official or bench personnel for irresponsible behavior or for the irresponsible behavior of its spectators or sideline.

7.12 Coaching from Sidelines

Limited coaching is permitted only from one touchline from the team's respective technical area (if marked) or from the centerline to 5 yards from the end of the team bench closest to the goal line (if no technical area is marked) to a maximum of 20 yards from centerline. Team bench persons may not enter the field without permission from the referee. Only the Head Coach can address the Match Referees.

7.13 Heading Education

If a 10-year-old player is playing with a 12U team please note that players who are 10 and younger should not be heading the ball regardless of the age group in which they play. This requires education and support from the coach and parent to instruct the player accordingly.

SECTION 8. MATCH CONTROL - REFEREES

8.01 Diagonal System of Control for Officiating

Matches must be officiated using the 3-person FIFA/USSF Referee System. If the assigned referee fails to appear (within 10 minutes of the match time); a certified referee must be found by the League Commissioner or his/her designee to officiate the match. The referee, in conjunction with an ASA official on site, may appoint replacements for Assistant Referees who fail to show up by the start of the match. In the event certified USSF officials are not available, the referee may appoint Club Assistant Referees. Club Assistant Referees shall be limited to decisions only on ball in and out of play and may only be paid a game fee as provided for in section 8.03 below if they are a current registered USSF official.

8.02 Match Officials
