FAIRWHISTLE

Building healthy sporting communities.

FairWhistle consolidates evaluations and game-day data to grow officiating talent, measure what matters most across every game, and centralizes compliance to safeguard your sport.

OFFICIALS

Crew completes post-game reporting on compliance and sportsmanship.

COACHES

Coaches from both teams submit a post-game evaluation of officiating and answer league compliance questions.

360 FEEDBACK LOOP

Officials can submit key incidents for the league to review, with the option to add supplemental video.

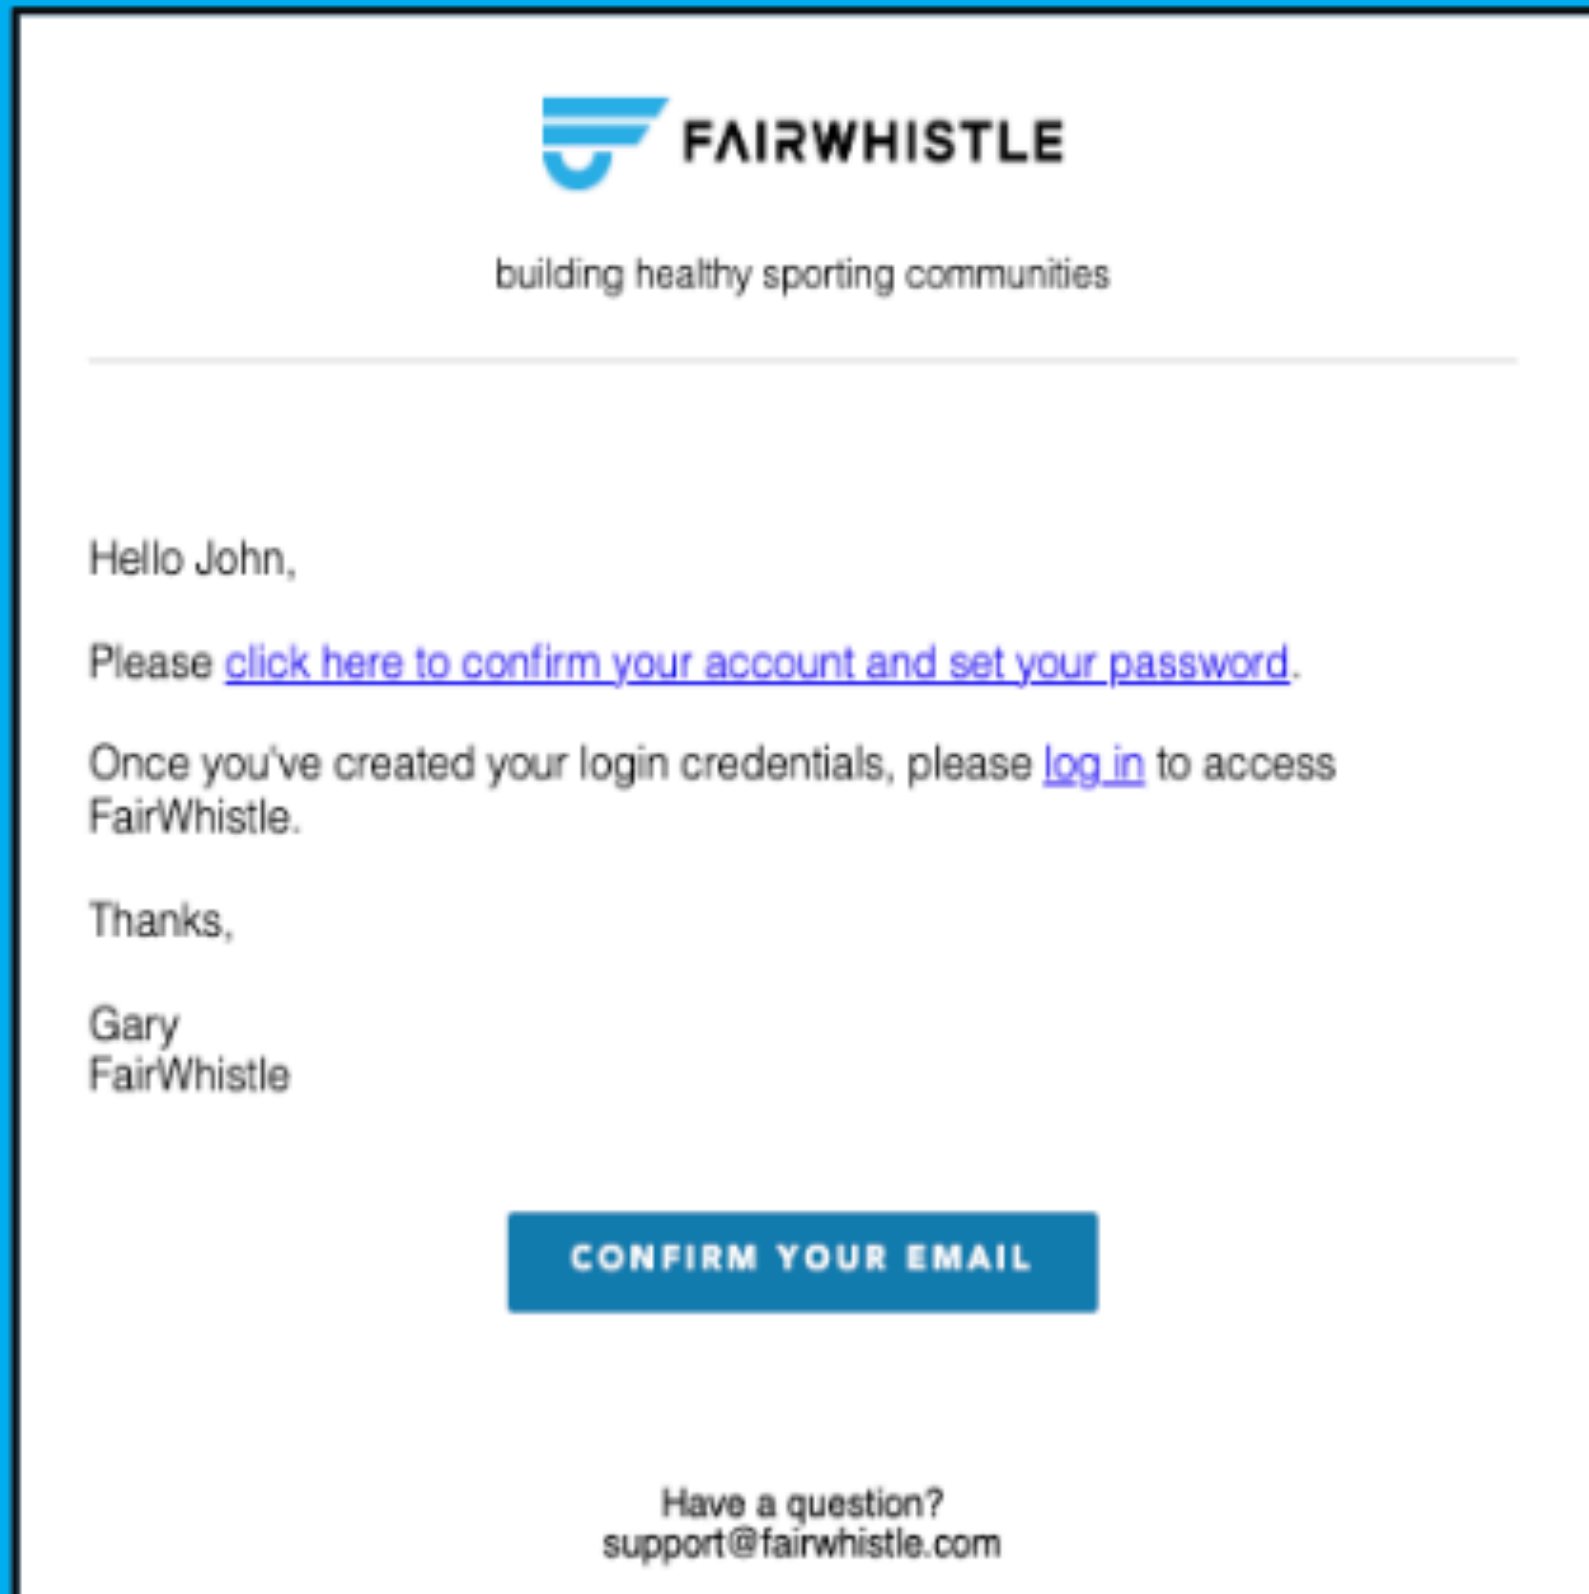

All parties can log in to FairWhistle to respond to each other and have continued dialogue.

REPORTING

FairWhistle streamlines reporting to make sure the most important issues are tracked, measured, and flagged for the league-like metrics identifying specific areas of improvement or exemplary performance of referees and staff, game environment, and coach & official feedback.
